

SEPTEMBER: *BOURBON HERITAGE MONTH*

OVER THE LAST TEN YEARS, BOURBON HAS SEEN A RAPID RISE IN POPULARITY AROUND THE WORLD, ESPECIALLY SMALL-BATCH BOURBONS. PURISTS DRINK IT STRAIGHT, BUT DON'T BE AFRAID TO ASK FOR IT YOUR WAY - WHETHER THAT'S ON THE ROCKS OR AS A BASE FOR MANY CLASSIC AMERICAN COCKTAILS. OLD FASHIONED ANYONE?

"CREATIVITY IS 80% BOURBON AND 20% ICE" - JACK DOOM
